# Introducing the Pro9541WT from OKI®: a 5-station digital transfer printer for the production of customized garments, hard surface goods & more!

## Pro9541WT Highlights:

Five-color: CMYK and White toner

Print & press onto garments, hard surface goods, and more!

Supports sheets up to 13"x19" (Super-B) - largest available on the market!

Single pass printing for quick results

Print speed: Up to 18 ppm<sup>1</sup>

True 1200 x 1200 dpi resolution

High-capacity toner: up to 24,000 pages<sup>2</sup>

Easy front access to toner cartridges and image drums

High-resolution color LCD display panel with alphanumeric keypad

Low total cost of ownership (TCO)

2-Year On-Site warranty<sup>3</sup>

Toll-free technical assistance 24/7/365<sup>4</sup>

## Unlock Full Color Potential

Extend your in-house printing capabilities with CMYK+White toner printing. Produce vibrant, full-color heat transfers for both light and dark apparel, hard surface goods, promotional merchandise and more! Personalize almost anything from t-shirts and garments to ceramics, plastics and metal – helping to grow your business by accessing lucrative new revenue streams.

## Think Outside the CMYK Box

Maximize your production using 13"x19" (Super B) sized sheets - saving time and money per job. Whether printing extra large graphics or a full sheet of logos, the Pro9541WT will help you produce high quality, cost-effective transfers - no matter what size!

## Advantage: Yours

This affordable 5-station digital transfer system has a low total cost of ownership and enables you to print brilliant color, opaque white, and true black...all at the same time, all in a single pass!

The Pro9541WT provides users additional cost-savings with the ability to use true black (K) instead of composite black (CMY). A quick and easy alternative to screen and direct to garment printing, the Pro9541WT is perfect for small scale production of custom apparel and goods.

## Unmatched Warranty Support

OKI is so confident in the reliable performance of the Pro9541WT that we provide a 2-Year On-Site limited warranty on the printer and an industry-leading 5-year warranty on its LED printheads.

# Print, then Press on a Variety of Surfaces

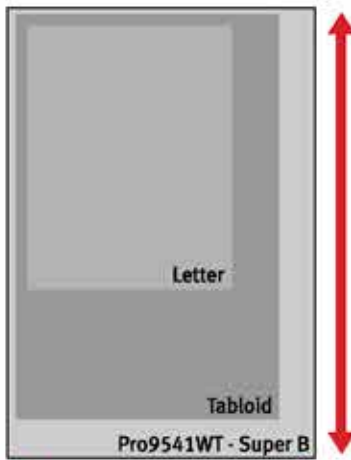

Go beyond t-shirt printing and transfer your designs onto a wide variety of surfaces, creating an array of decorative and promotional items. With no cutting or weeding required, users can produce high quality, detailed products with ease.

## Garments & Textiles

- Cotton
- Canvas
- Nylon
- Leather
- Polyester
- Denim
- Felt
- & More

## Hard Surface Goods

- Acrylic
- Glass
- Enamel
- & More
- Ceramic
- Metal
- Wood

Print on sheets up to 13"x19" (Super B). Perfect for x-large garments, banners, decorations and more.

## Optional EXOSTENCIL® Screen Prep Paper

OKI and Neenah® have worked together to provide a revolutionary and environmentally friendly solution for screen print shops.

Using the OKI Pro9541WT to print on the EXOSTENCIL® Screen Prep Paper is a "Chemical Free" way to make and reclaim your screens. This simple, two step process eliminates the need for large investments, allowing you to quickly get into production in just minutes. This easy method for manufacturing screens is appropriate for mesh counts from 85–230.

EXOSTENCIL® Screen Prep Paper
